16. EQUAL ACCESS TO LEARNING

The Company shall ensure that all employees have equal access to learning opportunities, including training, development, and career advancement. The Company will provide a variety of learning opportunities to meet the needs of all employees, including on-the-job training, classroom training, and self-paced learning. The Company will also ensure that all employees have the opportunity to participate in learning activities, regardless of their position or location.

17. RESPONSIBILITIES

Employees

Managers

Managers shall ensure that all employees have the opportunity to participate in learning activities, regardless of their position or location. Managers shall also ensure that all employees have the opportunity to receive feedback and coaching from their supervisors. Managers shall also ensure that all employees have the opportunity to participate in learning activities, regardless of their position or location.

Human Resources

HR shall:

18. LEARNING RECORDS AND DATA PRIVACY

Training records shall be maintained in a secure and confidential manner. The Company shall ensure that all training records are accurate and up-to-date. The Company shall also ensure that all training records are accessible to all employees who need them. The Company shall also ensure that all training records are protected from unauthorized access and use.

19. NON-RETALIATION

No employee shall be retaliated against for reporting a violation of this policy or for participating in an investigation. The Company shall ensure that all employees who report a violation of this policy or who participate in an investigation are protected from retaliation. The Company shall also ensure that all employees who report a violation of this policy or who participate in an investigation are treated fairly and equitably.

20. POLICY REVIEW

This policy shall be reviewed annually by the Human Resources Department. The Company shall ensure that all employees are notified of any changes to this policy. The Company shall also ensure that all employees are trained on this policy. The Company shall also ensure that all employees are aware of the consequences of violating this policy.

KEY PERFORMANCE INDICATORS (L&D METRICS)

The Company shall track the following key performance indicators (KPIs) to measure the effectiveness of its learning and development programs: (1) Employee participation in training and development activities; (2) Employee satisfaction with training and development opportunities; (3) Employee performance improvement; (4) Employee retention; and (5) Employee career advancement. The Company shall also ensure that all employees are aware of the KPIs and the consequences of failing to meet them.

EMPLOYEE ACKNOWLEDGEMENT

I acknowledge that I have read and understand this policy and agree to comply with its terms. I understand that failure to comply with this policy may result in disciplinary action, up to and including termination. I understand that this policy is not intended to create a contract of employment and that my employment is at-will.
